**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I oppose the USTelecom petition that would dismantle critical components of the 1996 Telecommunications Act, disabling competition and eradicating consumer choice. The 1996 Act is crucial to promoting competition, enabling fiber deployment and offering better service options for consumers.
