**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose Sonic because they care about Net Neutrality. I want more competition and more companies that care about Net Neutrality to provide competitive services. Consumers win when lots of companies fight for their business. Businesses win when few businesses are able to do so. This allows companies (AT&T / Verizon / Comcast / etc.) to collect fees for infrastructure they have yet to build, decades later.

Please play the fair and just role you are supposed to in the world and help consumers.
