**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please stop the USTelecom petition. The US requires more competition in the broadband industry to keep pressure on lower prices for consumers. I say NO to price hikes that will increase the cost of internet and telephone services. Broadband is critical for my everyday use. I previously connected with DSL, and now have fiber. I also have home telephone service.
