47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I think choose a competitive provider can get a better price & service. In order to get a better price and service no one like to be stuck with just one or two providers. Competitive telephone service save me money so I can spend saved money on other innovated products.

Overall, competition makes progress.
