47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

As a residential user, I want and deserve the ability to choose from a wide variety of providers. Especially of interest to me are ones that don't continue to price gouge with ridiculous rate hikes and add on fees.

Broadband can and should be available everywhere. Additionally, maintaining a competitively priced landline in my home is important .
