**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I strongly support broadband competition.

As an individual consumer, I currently have a local/regional internet provider that provides much better pricing and customer service, including excellent landline phone service, than I had received previously received from a nationwide provider. I strongly support broadband competition that will support better service and pricing for customers.
