Ms. Marlene H. Dortch, Secretary
Federal Communications Commission
445 12th Street, SW
Washington, DC 20554

*Re: **Starry, Inc. Notice of Ex-Parte Communication**; Use of Spectrum Bands Above 24 GHz For Mobile Radio Services, et al., GN Docket No. 14-177, IB Docket Nos. 15-256 and 97-95; RM-11664; and WT Docket No. 10-112; Improving Competitive Broadband Access to Multiple Tenant Environments, GN Docket No. 17-142; Business Data Services in an Internet Protocol Environment proceedings, et al., WC Docket No. 16-143, GN Docket Nos. 13-5, WC Docket No. 05-25, RM-10593*

Dear Ms. Dortch:

On September 7, 2017, Starry, Inc., represented by Chet Kanojia, Chief Executive Officer and Virginia Lam Abrams, Senior Vice President of Communications & Government Relations, participated in a meeting at the Federal Communications Commission ("FCC" or "Commission") with FCC Commissioner Jessica Rosenworcel and Senior Legal Advisor, Travis Litman.

During the meeting, Starry briefed Commissioner Rosenworcel and Mr. Litman on Starry's proprietary 5G fixed wireless technology and the company's deployment progress. Starry discussed its technology architecture and shared information regarding its experience building out and operating its network in Boston.

During the meeting, Starry reiterated its support for preserving sharing in the lower 37 GHz band as proposed in the *Spectrum Frontiers Report & Order*. Enabling this small portion of spectrum to be utilized for commercial-to-commercial sharing would create a platform for new entrants to develop innovative technologies in these bands and would also unleash capital investment in this sector.

Starry also responded to questions regarding its comments in the *Improving Competitive Broadband Access to Multiple Tenant Environments and Business Data Services in an Internet Protocol Environment* proceedings.

Pursuant to Section 1.1206(b)(2) of the Commission's rules, an electronic copy of this letter is being filed for inclusion in the above-referenced docket. We have also provided a copy of this letter electronically to all Commission personnel who were in attendance. Please contact the undersigned with any questions.

Respectfully submitted,
Virginia Lam Abrams
