**Re: In the Matter of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have been a customer of a small but successful Internet service provider for the past 15+ years. Having broadband access is critical to my small business, and keeping costs down is vital as well. For families, keeping costs affordable is equally essential.

That's why it's so important to ensure a competitive marketplace for Internet services. Competition helps to ensure that small businesses and growing families will thrive.

Please consider this when making decisions regarding Internet services.

Respectfully,

Jeannine Drew
