Re: "Restoring Internet Freedom", WC Docket No. 17-108

Dear Ms. Dortch,

On September 7, 2017, I met with Travis Litman, Legal Advisor to Commissioner Rosenworcel, regarding the above-reference proceeding. At the meeting, I reiterated the arguments set forth in my Reply Comments in the proceeding, available at <https://www.fcc.gov/ecfs/filing/10830155819056>, that broadband Internet access service is a telecommunications service.

In this meeting, as in the Reply Comments, I represented no one but myself, and did not speak on behalf of my employer or any other party.
