ERRATUM TO EX PARTE LETTER RE: WC Docket Nos. 17-84 & 17-108

Dear Secretary Dortch:

On September 8, 2017, Sheba Chacko, Chief Regulatory Counsel for BT in the Americas, and Jennifer Taylor Hodges, Vice President Government Affairs USA, BT Americas, met with Jay Schwarz, Wireline Legal Advisor to Chairman Pai to discuss BT Americas' concerns with the Commission's streamlining proposals in Dkt. 17-84 and its proposed actions on net neutrality as outlined in its NPRM in Dkt. 17-108. BT Americas' representatives outlined the concerns as discussed in their reply comments in these dockets. BT Americas stressed that even the current rules regarding Section 214 applications for discontinuance of services may be insufficient to ensure an orderly, managed transition from TDM to IP services and encouraged the Commission to adopt rules that ensure transparency and a methodical, organized transition.

If you have any questions regarding any matters discussed herein please feel free to contact me.

Sincerely,

Sheba Chacko
Chief Regulatory Counsel, BT in the Americas
