Dear Ms. Dortch:

Amdocs, Inc. ("Amdocs"), by its counsel, submits the enclosed supplement to its Spectrum Access System ("SAS") Initial Commercial Deployment ("ICD").

Pursuant to Section 0.459 of the FCC's rules, Amdocs requests that the FCC withhold from public inspection and accord confidential treatment to marked portions of the confidential copy of its SAS ICD supplement filed with the Office of the Secretary in the above-referenced proceeding as it contains commercial information, proprietary business information, and/or trade secrets. Amdocs also files via ECFS the redacted version of its SAS ICD supplement for public inspection.

Please do not hesitate to contact the undersigned with any questions regarding this matter.

Best regards,

Womble Bond Dickinson (US) LLP
