**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am consumer in supporter of broadband competition. I left the big company internet provider that I was stuck with when a small competitive provider was available in my area. Their service has been the best and my savings are much appropriated. Local broadband via fiber is critical for better internet connectivity and lower cost service.

Sincerely,
