**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

After years of suffering through high prices and extremely poor service with ATT or Comcast, I finally found Sonic, a local provider. Prices are good, and service is great. The major companys' service was appalling, both billing and technical departments, with no indication of improvement year after year.

Sonic provided a fibre connection for broadband and telephone.

Please do not discourage competition.
