**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Having Sonic instead of ATT has definitely help with access to internet with better prices. Please do not allow ATT to monopolize the industry. This is vital to communities that have limited access to internet as it keeps competition and proves that can be better afforded for those with low income levels.
