**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Why are you trying to make our lives miserable? I hate att and Comcast because they dont care about their clients and ignore our need. They increase their prices without any consideration for their clients and they dont even provide reliable service. I had so much issue with them that I just stopped calling all together because all fell on deaf ears. Having more competition forces conglomerate companies to refocus. Please dont force me to change but instead the big companies that have forgotten that their there for the consumers and not wise versa.
