**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Consumer are tired of the oligopolies that puts the consumers at the mercy of companies which plummet there customers with constant price increases and poor service. Companies would implement price increase with out justification but would use millions in marketing costs to get you to sign up for there service. There needs to be healthy competition in the market place.
