**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Keep LMI, our internet provider. We need competition! My husband and I are small consumers who want choice. Our small service provider has provided good service, not like the biggies. We already pay plenty - no more price hikes!

Broadband is essential to our lives. Don't give in to the huge corporations who care not about us, the small guys.
