Re: Modernizing the FCC Form 477 Data Program, WC Docket No. 11-10

Dear Ms. Dortch:

On September 12, 2018, the undersigned of Comcast Corporation ("Comcast"), along with Emily Daniels of Lawler, Metzger, Keeney & Logan, LLC, outside counsel to Comcast, met with Steven Rosenberg, Rodger Woock, John Emmett, and Suzanne Mendez of the Wireline Competition Bureau. During the meeting, the parties discussed the Commission's ongoing proceeding regarding how best to ensure that FCC Form 477 submissions provide useful data about the state of communications deployment. In particular, Comcast focused on its ability to provide deployment data at various levels of granularity, including by discussing the significant burdens associated with requiring the submission of service address level information throughout its footprint.

Respectfully submitted,

/s/ Beth Choroser
