**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Thank you for taking the time to hear from those potentially impacted by the USTelecom petition. I live in a small rural town and I believe in market freedom. I do not want to be forced to use a conglomerate to get my internet services. I hear horror stories about using these businesses. To know that their only motive is money is abhorrent. Serving our community is what my local ISP GorgeNetworks values. And I value competitive choice and I adamantly oppose the USTelecom petition.
