**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I need my broadband for work and school. I am taking online classes. Also, i need to work from home st time so fast internet is critical. I had cable and AT&T before but those had many problems. I like fiber optic the best!!! Good competition will better services and prices. Therefore I truly support more competition so the good service will survive and the bad ones will improve.
