**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a voter in San Francisco who uses Sonic.net for my internet connection. Please do not approve the US Telecom petition which would in effect gut the effectiveness of the 1996 Act guaranteeing competition in the internet provider market.

I use sonic.net because their customer service is great and their privacy rules are also commendable.

Thanks for reading
