LETTER OF APPEAL

Federal Communications Commission
Office of the Secretary
445 12th St., SW
Washington, DC 20554

CC Docket No. 02-6

Re: Letter of Appeal of Revised Funding Commitment Decision Letter for funding Year 2017, issued 9/11/2018.

To Whom It May Concern,

I am submitting this Letter of Appeal regarding USAC's denial of an appeal for E-rate FY 2017, FRN's 1799084002 and 1799084153, on the grounds that, the Service Type for these FRN's was transposed during the initial application and went undetected by all parties until the attempt to submit invoicing for reimbursement.

Appellant Name:	International Computer Corporation
Applicant Name:	Sacred Heart Catholic School – Gallup
471 Application #:	171036745
Billed Entity #:	99156
FRN:	1799084002 and 1799084153
Service Provider:	Comcast Business Communications

SLD Explanation for denial: *Our records show that your appeal was filed more than 60 days after the date your decision letter was issued. Your appeal was filed on July 12, 2018. The Funding Commitment Decision Letter was issued on June 23, 2017. Federal Communications Commission (FCC) rules require appeals to be filed within 60 days of the date on the decision letter being appealed. FCC rules do not permit the Universal Service Administrative Company (USAC) to consider your appeal. (See Attached)*

Issue: I was recently notified by the Service Provider that an error was made in the selection of the Category of Service for the two, committed FRN's for the 2017 funding year listed above (see attached email). Unfortunately, the deadline to submit clerical errors and/or an appeal to USAC had passed. We are seeking relief and a waiver of the FCC rules that an appeal must be filed within 60 days of the FCDL.

Considering this case is based on merely an administrative error which places a financial hardship on the School, we respectfully request that the SLD process this Letter of Appeal in hopes that they may award the following Category of Service corrections.

FRN 1799084002: Category 1 – VOICE @ 20%

FRN 1799084153: Category 1 – DATA TRANSMISSION AND/OR INTERNET ACCESS @ 80%

Thank you for your consideration and attention to this request.

Sincerely,

Karen Pulliam
