Re: *Supplemental Filing - WC Docket No. 18-268*

Dear Ms. Dortch:

This letter clarifies information contained in the supplement filed on September 12, 2018 to the above-referenced application (“Application”) for Commission consent to transfer indirect control of Smart City Telecommunications LLC; Smart City Solutions, LLC; Smart City Networks, Limited Partnership; Smart City of Washington D.C., LLC; and Convention Communications Provisioners, Inc. from Smart City Holdings, LLC (“Transferor”) to Sapphire Intermediate Holdings, LLC (“Transferee” and jointly with Transferor, the “Applicants”)(“Transaction”).

1. AppBurst, LLC is a Florida limited liability company.
2. Dynamic Concepts, Inc. is a District of Columbia corporation (and not a Delaware corporation as referenced in the text of the Application).
3. Other than Smart City Telecommunications LLC and Alteva of Warwick, LLC (“Alteva of Warwick”) who receive high cost universal service support in study areas 210330, 160138 and 150135, neither Transferor nor Transferee or their respective affiliates (including Smart City Telecommunications LLC and Alteva of Warwick, LLC) receive high cost universal service support in any study area.
