PRO FORMA REQUEST FOR EXTENSION OF TIME TO FILE REPLY

Last year, United Communications Corporation ("UCC") filed its Petition for Special Relief in the captioned matter. In order to simplify the issues presented by the Petition and to address the anomalous distortions wrought by translator viewing on the ratings data set forth in the Petition, on August 11, 2017 UCC filed a Supplement to the Petition.

An Opposition was filed by KAAL-TV, LLC on August 31, 2017. Under Section 76.7(c), replies to oppositions are to be filed within ten days of the filing date of the opposition. Thus UCC's Reply would have been due Monday, September 11, but because the opposition was served on UCC by mail, three days are added to the computation. 47 C.F.R. 1.4(h) and the nominal due date for UCC's reply would be September 14, 2017.

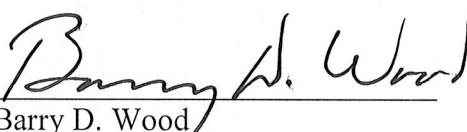

However, New Ulm Telecom filed an opposition pleading on September 7, 2017. The filing date for a reply to New Ulm Telecom's opposition would be Monday,

September 17, plus three days for service by mail, or September 20. Section 1.45(c) provides that replies "shall be limited to matters raised in the oppositions, and the response to all such matters shall be set forth in a single pleading; separate replies to individual oppositions shall not be filed." UCC therefore plans to file a consolidated reply on or before September 20.

Inasmuch as this schedule comports with the requirements of the Commission's Rules, the instant Request for Extension of Time is being tendered in an abundance of caution, and UCC does not believe that formal action on it is necessary. If, however, the Video Division disagrees with UCC's construction of the Rules on this score, the Division is hereby requested to grant of this Request for Extension of Time in order to permit UCC adequate time to respond to the matters raised in both oppositions.

Respectfully submitted,

**UNITED COMMUNICATIONS
CORPORATION**
