Re: Notice of Ex Parte Presentation, *Restoring Internet Freedom*, WC Docket No. 17-108

Dear Ms. Dortch,

On September 13, 2017, the undersigned and Markham Erickson of Steptoe & Johnson LLP met with Claude Aiken, Wireline Legal Advisor to Commissioner Clyburn, regarding the above-referenced proceeding. We discussed the motion INCOMPAS filed to modify the protective orders in certain prior transaction proceedings, the oppositions to that motion filed by AT&T, Charter, Comcast and Verizon, and INCOMPAS's responses to those oppositions. In particular, we offered to work with the Commission to gather interested stakeholders and agree on a process for reviewing confidential and highly confidential information in those mergers that are relevant to the issues raised in the NPRM in the instant proceeding, while maintaining the confidentiality of that material. We also reiterated the arguments set forth in INCOMPAS's filings concerning the Motion.

In accordance with the Commission's rules, this ex parte notice is being filed electronically in the above-referenced docket.

Respectfully submitted,

/s/Angie Kronenberg
