**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer and small business owner who supports broadband competition. I have felt extremely unhappy with the mega providers and their lack of customer support, seemingly random rate hikes and general lack of concern for my needs. Please keep the competition in internet and phone service in order to keep the cost down for all of us.
