Re: *Consolidated Applications of XO Holdings and Verizon Communications Inc. for Consent to Transfer Control of Licenses and Authorizations*,  
WC Docket No. 16-70

Dear Ms. Dortch:

Verizon Communications Inc. (“Verizon”) submits a CD containing further revised exhibits to be associated with its earlier responses to Requests 26 and 27 of the Wireline Competition Bureau’s Information and Document Request (“Information Request”) dated June 22, 2016.

Because these exhibits contain information that meets the requirements for treatment as “Highly Confidential,” Verizon is filing these exhibits pursuant to the procedures established in the Protective Order and in the Information Request.<sup>1</sup> Verizon will also file a copy of this cover letter, bearing the appropriate confidentiality legend, in the FCC’s Electronic Comment Filing System.

Verizon has made diligent efforts to ensure that none of the material it is submitting herewith is privileged under the attorney-client privilege or attorney work product doctrine. To the extent that any privileged materials may have been inadvertently produced, such production does not constitute a waiver of any applicable privilege. Verizon requests that any privileged materials inadvertently produced be returned to Verizon as soon as such inadvertent production is discovered by any party, and reserves all rights to seek return of any such documents.

<sup>1</sup> *XO Holdings and Verizon Communications Inc., Consolidated Applications for Consent to Transfer Control of Domestic and International Authorizations Pursuant to Section 214 of the Communications Act of 1934, As Amended*, Protective Order, 31 FCC Rcd 5318 (WCB 2016) (“Protective Order”). Consistent with the Protective Order, *id.* at 5320 ¶ 3, Verizon obtained written approval from Commission staff to designate certain material as Highly Confidential.
