**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I enjoy my small, local, internet service provider. SONIC (in my case) offers competitive pricing in an area that is inundated with high-speed carriers -- the ones who demand you pay ridiculous prices for limited "services". Deregulation is not the answer you should be considering in this instance.
