**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I arrived as a sonic customer after receiving terrible service from ATT. They responded to my deluge of robocalls where ATT would only do something if I paid more. I am a retired senior on social security living in San Francisco, one of the most expensive city's in the country. Please don't change the pricing structure and leave broadband competition as is. Maybe you could work on taking care of all the horrible practices that have made communication a sea of criminals. Phishing e mails,spoofing, endless robocalls. All day long I have to put up with these.
