**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We had AT&T for years and were so appalled by their service that we paid a fortune to end a contract early. We will NEVER go back to AT&T no matter what slick marketing or fishing introductory deals they provide. Please support honest small businesses with real service. These networks are a public commons. Please protect them as such. In doing so, you'll also protect fair and open competition and a fabulous small business (sonic). Thank you!
