**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am writing you today to tell you that I need you to help me keep competition in my internet services market. I have had internet in a number of different markets and many times it is limited to only the major players.

I thankfully have found a small local internet provider that I like, but it would be like ATT is trying to raise a fee which would make it very hard for Sonic to compete.
Do not let this happen.

The larger internet companies like Comcast and ATT etc do not play fair with their competition or to their consumers by those actions. Help keep competition in the internet markets.

Thanks,

David Mongeau
