**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I oppose the US Telecom petition in the strongest terms possible. Competition is a cornerstone of capitalism, and the Internet should be regulated as a public utility. I strongly support Net Neutrality. No price hikes, no mega mergers giving Telecom companies more power. Decentralization and competition.
