▼ Narrative

Summary: In the 4th funding wave, Category 2 FRN 1999021725 was denied. I called the USAC CSB (case number 275161) and was made aware that my client, the West Carroll Parish School District, was Red Light status. The outstanding payment was made within days. By the time this appeal is addresses, the Red Light status will have been removed. We respectfully request that a Revised Funding Commitment Letter be issued providing the funding as requested for this FRN.

Description: This District received a COMAD letter in December, 2019. We acknowledged that the requested demand payment was accurate and we were waiting on the Demand Payment Letter. According the CSB rep, the first demand letter was sent in February, 2020 and a second sent in March.

My client has no recollection of receiving the Demand Payment Letters. As their consultant, I was not notified either via email nor did these letters appear in my News Feed. Although we were anticipating these letters, no one was aware of the letters being sent.

As soon as I was made aware of this, I worked with my client and payment was made. The payment identification number for this transaction is 26HKBO5L.

Now that the payment has been made and the Red Light status removed, we respectfully request that a Revised Funding Commitment Letter be issued providing the funding as requested for this FRN.

What is in this letter?

Thank you for submitting your post-commitment request for Funding Year 2019 Schools and Libraries Program (E-rate) funding. Attached to this letter, you will find the revised funding statuses and/or post commitment changes to the original Funding Commitment Decision Letter (FCDL) you received. Below are the changes that were made:

- Appeals

The Universal Service Administrative Company (USAC) is providing this information to both the applicant(s) and the service provider(s) so that all parties are aware of the post-commitment changes related to their funding requests and can work together to complete the funding process for these requests.

Next Steps

1. **File the FCC Form 486**, Service Confirmation and Children's Internet Protection Act (CIPA) Certification Form, for any FRNs included in this RFCDL, if you have not already done so. Please review the CIPA requirements and file the form(s).

Post Commitment Wave: 9

- o **If USAC approved funding on an FRN in your original FCDL**, the deadline to submit the FCC Form 486 is 120 days from the date of the original FCDL or from the service start date (whichever is later).
 - o **If a new FRN was created for this RFCDL or funding was not approved on an FRN in your original FCDL but is approved in this RFCDL**, the deadline to submit the FCC Form 486 is 120 days from the date of this RFCDL or from the service start date (whichever is later).
2. **Invoice USAC**, if you or your service provider have not already done so. Work with your service provider(s) to determine if your bills will be discounted or if you will request reimbursement from USAC after paying your bills in full.
- **If you (the applicant) are invoicing USAC:** You must pay your service provider(s) the full cost for the services you receive and file the FCC Form 472, the Billed Entity Applicant Reimbursement (BEAR) Form, to invoice USAC for reimbursement of the discounted amount.
 - **If your service provider(s) is invoicing USAC:** The service provider(s) must provide services, bill the applicant for the non-discounted share, and file the FCC Form 474, the Service Provider Invoice (SPI) form, to invoice USAC for reimbursement for the discounted portion of costs. Every funding year, service providers must file an FCC Form 473, the Service Provider Annual Certification Form, to be able to submit invoices and to receive disbursements.
 - **To receive an invoice deadline extension, the applicant or service provider** must request an extension on or before the last date to invoice. **If you anticipate, for any reason, that invoices cannot be filed on time**, USAC will grant a one-time, 120-day invoice deadline extension if timely requested.

How to Appeal or Request a Waiver of a Decision

You can appeal or request a waiver of a decision in this letter **within 60 calendar days** of the date of this letter. Failure to meet this deadline will result in an automatic dismissal of your appeal or waiver request.

Note: The Federal Communications Commission (FCC) will not accept appeals of USAC decisions that have not first been appealed to USAC. However, if you are seeking a waiver of E-rate program rules, you must submit your request to the FCC and not to USAC. USAC is not able to waive the E-rate program rules.

- **To submit your appeal to USAC**, visit the Appeals section in the E-rate Productivity Center (EPC) and provide the required information. USAC will reply to your appeal submissions to confirm receipt. Visit USAC's website for additional information on submitting an appeal to USAC, including step-by-step instructions.
- **To request a waiver of the FCC's rules or appeal USAC's appeal decision**, please submit it to the FCC in proceeding number CC Docket No. 02-6 using the Electronic Comment Filing System (ECFS). Include your contact information, a statement that your filing is a waiver request,

identifying information, the FCC rule(s) for which you are seeking a waiver, a full description of the relevant facts that you believe support your waiver request and any related relief, and any supporting documentation.

For appeals to USAC or to the FCC, be sure to keep a copy of your entire appeal, including any correspondence and documentation, and provide a copy to the affected service provider(s).

Obligation to Pay Non-Discount Portion

Applicants are required to pay the non-discount portion of the cost of the eligible products and/or services to their service providers. Service providers are required to bill applicants for the non-discount portion of costs for the eligible products and/or services. The FCC stated that requiring applicants to pay the non-discounted share of costs ensures efficiency and accountability in the program. If using the BEAR invoicing method, the applicant must pay the service provider in full (the non-discount plus discount portion) **before** seeking reimbursement from USAC. If using the SPI invoicing method, the service provider must first bill the applicant **before** invoicing USAC.

Notice on Rules and Funds Availability

The applicants' receipt of funding commitments is contingent on their compliance with all statutory, regulatory, and procedural requirements of the Schools and Libraries Program and the FCC's rules. Applicants who have received funding commitments continue to be subject to audits and other reviews that USAC and/or the FCC may undertake periodically to assure that funds that have been committed are being used in accordance with such requirements. USAC may be required to reduce or cancel funding commitments that were not issued in accordance with such requirements, whether due to action or inaction, including but not limited to that by USAC, the applicant, or the service provider. USAC, and other appropriate authorities (including but not limited to the FCC), may pursue enforcement actions and other means of recourse to collect improperly disbursed funds.

Revised Funding Commitment Decision Comments:
--

Post Commitment Rationale:

Pursuant to 47 C.F.R. sec. 1.1910(a)(1), USAC determined that you or an entity sharing the same Taxpayer Identification Number (TIN) has been delinquent on the payment of a debt owed to the Universal Service Administrative Company (USAC) and/or the FCC. We issued a Notice of Withholding Action explaining the nature of the debt(s) owed and the consequences of not satisfying the debt within 30 days of the date of the letter. USAC dismissed your application and denied all funding requests included in that application due to the fact that your debt(s) had not been satisfied. In your appeal, you have not shown that USAC's determination was incorrect. Consequently, your appeal is denied. You have been delinquent on your non-tax debt(s) owed to the FCC. FCC rules

BEN Name: WEST CARROLL PARISH SCH DIST

BEN: 139320

Post Commitment Wave: 9

require that action be withheld on any application or request for benefits made by an entity found to be delinquent in its debt(s) to the FCC. The rules further state that the entity will be informed that action will be withheld on the application[s] until full payment or arrangement to pay any non-tax delinquent debt owed to the FCC is made and/or that the application may be dismissed. See 47 C.F.R. sec. 1.1910(b)(2).
