Re: Telengy LLC, Number Authorization Application

Dear Ms. Dortch:

Pursuant to Section 52.15(g)(3) of the Commission's rules, Telengy, LLC hereby submits its Numbering Authorization Application to obtain telephone numbers directly from the North American Numbering Plan Administrator and the Pooling Administrator.

Please direct any questions regarding this matter to the undersigned or the personnel listed in paragraph 3 of the Application.

Sincerely,

A handwritten signature in black ink, appearing to read 'G. Borodiansky', enclosed in a simple oval scribble.

NUMBERING AUTHORIZATION APPLICATION

Telengy, LLC (“Applicant”),¹ hereby applies for authorization to obtain telephone numbers directly from the North American Numbering Plan Administrator and the Pooling Administrator (collectively, "Numbering Administrators") pursuant to and in accordance with Section 52.15(g) of the Commission's rules. In support hereof, Applicant respectfully states:

1. Applicant’s name, headquarters’ address and telephone number are as follows:

Telengy, LLC
11 Broadway, Suite 1015
New York, NY 10004
(212) 379-4000

2. The primary type of business of Applicant is telecommunications services, which includes interconnected VoIP. The numbering resources that are the subject of this Application will be used to provide interconnected VoIP services initially in California, Florida, Maryland, Massachusetts, New Jersey, Pennsylvania, Rhode Island, Virginia, and Washington DC. Applicant intends to eventually use the numbering resources to provide such services throughout the United States, including its territories and possessions.

¹ Applicant does not have a parent and is not owned, in whole or in part, by any foreign individual or entity.

3. The names and contact information for personnel of Applicant qualified to address issues relating to regulatory requirements, compliance with Commission rules, 911 and law enforcement are as follows²:

Yishai Shapir (CEO) – yishai@telengy.net; (212) 379-4044

Gregory Borodiansky (CTO) – gregory@telengy.net; (212) 379-4041

Yana Borodiansky (CFO) – yana@telengy.net; (212) 379-4043

Stephen Irwin (VP Operations) – stephen@telengy.net; (212) 379-4038

4. Applicant acknowledges that the authorization is subject to compliance with applicable Commission numbering rules, numbering authority delegated to the states and industry guidelines and practices regarding numbering applicable to telecommunications carriers.

5. Applicant acknowledges that it must file requests for telephone numbers with the relevant state commissions at least thirty (30) days before requesting telephone numbers from the Numbering Administrators.

6. As proof of facilities readiness, namely that Applicant is capable of providing service within sixty (60) days of the numbering resources activation date, Applicant submits that it already has interconnection with the PSTN pursuant to a commercial arrangement that provides access to the PSTN; in particular, Applicant has an agreement with its carrier partner, Inteliquent, who, in turn, has interconnection agreements in effect with all of the relevant local exchange carriers for the states that are the subject of the Application and in which such carriers provide access to the PSTN, including AT&T, Verizon, and CenturyLink. Applicant further states that it has in place the practices and procedures that already enable it to successfully route and port numbers as a licensed CLEC in New York State since 2011; in particular, Applicant has an OCN (473G), appears in the LERG and NPAC in the CLEC category, has an agreement with Inteliquent to support number routing, is assigned an AOCN by iconectiv which already allows direct access to the BIRRDs system, has a full staff of provisioners prepared for porting and has listed all contact information with the LNPA WG and ATIS.

7. Applicant certifies that it complies with its Universal Service Fund contribution obligations under 47 CFR part 54, subpart H, its Telecommunications Relay Service contribution obligations under 47 CFR § 64.604(c)(5)(iii), its North American Numbering Plan and Local Number Portability Administration contribution obligations under 47 CFR § § 52.17, 52.32, its obligations to pay regulatory fees under 47 CFR § 1.1154 and its 911 obligations under 47 CFR part 9.

8. As demonstrated by its successful operations as a licensed facilities based CLEC in New York State since 2011, and as a FCC International Bureau Section 214 licensed carrier since 2003, Applicant certifies that it possesses the financial, managerial and technical

² The mailing address of each such personnel is the mailing address of the Applicant set forth in paragraph 1.

expertise to provide reliable service. Attached hereto as Attachment A are the names and descriptions of Applicant's key management and technical personnel. Applicant states that none of the identified personnel are being or have been investigated by the Commission or any law enforcement or regulatory agency for failure to comply with any law, rule or order.

9. Applicant certifies pursuant to Sections 1.2001 and 1.2002 of the Commission's rules that no party to this Application is subject to a denial of Federal benefits pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988. See 21 U.S.C. § 862.

WHEREFORE, Applicant respectfully requests the Commission to grant this Application for numbering resources.

Respectfully Submitted,

Gregory Borodiansky

ATTACHMENT A

Numbering Authorization Application of Telengy, LLC

Yishai Shapir - CEO

Mr. Shapir brings to Telengy over 20 years of upper management and sales experience in the wholesale telecommunications business. Prior to co-founding Telengy in 2001, Mr. Shapir was previously the Vice President of Sales for an FCC licensed 214 carrier, Gamma Telecom Intl. Inc.; designed and contracted a telecom switching facility for Sakon LLC; and is the founder of Motion Media a company providing integration, network and workstation design for the motion picture industry in Hollywood, California. Mr. Shapir has studied software and database design at UCLA, as well as mathematics and physics.

Gregory Borodiansky - CTO

Mr. Borodiansky has been involved in the telecommunications industry for that past 19 years and has decades of experience developing systems and systems architectures, as well as TDM, VoIP, IP networks, and switching systems. Prior to co-founding Telengy, Mr. Borodiansky has previously held positions as VP of Sales and Engineering at Arelnet USA, Inc., Director of Network Architecture at Gamma Telecom Intl. Inc, and has also worked in Electronic Data Management at Optifile Systems. Mr. Borodiansky holds a M.S. degree in Computer Science from Lvov Polytechnic Institute.

Yana Borodiansky - CFO

Mrs. Borodiansky has over 19 years experience in the wholesale telecommunications business covering accounting, provisioning, network engineering, switch and session border controller management, and database design. Prior to co-founding Telengy, she held numerous positions at Gamma Telecom Intl. Inc. and Optifile Systems. Mrs. Borodiansky holds a M.S. degree in Electrical Engineering from Tashkent Polytechnic Institute.

Stephen Irwin – VP Operations

As VP of Operations at Telengy, Mr. Irwin manages the regulatory aspects of the business, oversees the company's support/provisioning teams, and is also responsible for developing and executing strategies to both fortify and expand the company's operations. Mr. Irwin excels at building and maintaining longstanding, mutually beneficial partnerships and in his over 14+ years in the industry has established a proven track record for meeting and exceeding company-wide goals. His unique skill set has been molded by his prior work experience at AT&T, Dialogic, and VoicePulse. Mr. Irwin graduated with honors from Rider University and holds a degree in Computer Information Systems with a minor in Marketing.
