**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Keep the internet open. Broadband is of critical importance to my family. I use a local provider who provides great service for less money. We also utilize their phone service also. We have recently been connected to fiber and are benefiting from this fast new service. Competition keeps service high and costs low. Please do not spoil this for the American people.
