USAC	<p>Mark,</p> <p>The information regarding the commitment adjustment letter that was being appeal, the date for the commitment adjustment letter was 11/20/17. The appeal that the school district filed on this decision was on 12/14/2017, which is not more than 60 days after the commitment adjustment letter was received. I am sorry to inform you that you will need to appeal again letting them know you were appealing the commitment adjustment letter not the BEAR notification letter. I will escalate this issue as a concern case due to they miss read your appeal and that no one contacted you.</p>	4/23/2018 1:14 PM EDT
