**Petition for review of
FCC Form 471 Funding Decision for Funding Year 2016
RE: FCC Form 471 161014520**

I. INTRODUCTION AND SUMMARY

The Mendon Upton Regional School District (“MURSD”) serves low income pre-kindergarten through Grade 12 children spanning two towns in Massachusetts. Since the 1990’s, the Mendon Upton Regional School District has been a very small but successful participant of the E-Rate program.

The Mendon Upton Regional School District submitted and certified their Funding Year 2016 FCC Form 471, 161014520, in the “Apply Online” portal of the Schools and Libraries Division (“SLD”) of the Universal Service Administrative Company’s (“USAC”) website, on March 22, 2016.

SLD informed the MURSD on July 14, 2018 that after further review, the Form 471 in question did not meet the criteria for approval and adjusted to \$0.00. The MURSD reviewed the Form 470 and Form 471 and found them to be adequate for funding. The MURSD disagrees with the SLD's decision as the funding request in question meets the criteria for funding.

II. Request

The Mendon Upton Regional School District respectfully petitions the Commission to instruct Universal Service Administrative Company, Schools Libraries Division to accept the previously filed form as correct, and dismiss any demand letters issued to the Mendon Upton Regional School District regarding this matter.

Respectfully submitted,
