Subject: Regarding MUSCOGEE COUNTY SCHOOL DIST E-Rate Application 874600001140406

Diane,

We hope you are doing well as Muscogee County School District is starting up another school year.

We're sending you this email because we saw your 470 bid was posted and so we are reaching out via email first. Was there any specific information that you wanted to let us know about as with all other service providers? Are you open to scheduling vendor presentations?

Thanks,

ANDREW ANGERBAUER
