**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Competition is good. It keeps the big corporations on their toes. The big corporations should not be allowed to strangle free enterprise and consumer choices for competitive services. It helps keep them honest and keep prices reasonable. If they become the only choice what is to prevent them from dictating conditions of service as well as unreasonable prices?
