**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a regular consumer worried about the status of internet and telephone competition. I support broadband competition and against big companies from raising prices that will increase the cost of internet and telephone services. There should be no monopoly of services in this country.

Thank you.
