Dear Ms. Dortch:

T-Mobile US, Inc. (“T-Mobile”) hereby submits the fourth of its supplemental document productions in response to the Federal Communication Commission’s (“FCC’s”) Information Request.¹ This supplemental document production includes translations of documents that were not originally in English. It consists of an encrypted DVD containing the load files and production index associated with the document requests in the Information Request, containing items tagged as “Highly Confidential,” “Confidential,” and “Public,” per the Protective Order.²

Pursuant to the procedures set forth in the Protective Order, a copy of the filing is being provided to the Secretary’s Office, including the DVD.³ In addition, two copies of the Highly Confidential Filing are being delivered to Kathy Harris, Wireless Telecommunications Bureau.⁴ A copy of the DVD is also being sent, by overnight mail, to the FCC’s e-Discovery vendor.

¹ Letter from Donald K. Stockdale, Jr., Chief, Wireless Telecommunications Bureau, to Kathleen O’Brien Ham, T-Mobile U.S., Inc., WT Docket No. 18-197 (Aug. 15, 2018) (“*Information Request*”).

² *In the Matter of Applications of T-Mobile US, Inc. and Sprint Corporation Consolidated Applications for Consent to Transfer Control of Licenses and Authorizations*, Protective Order, WT Docket No. 18-197, DA 18-624 (Jun. 15, 2018) (“*Protective Order*”). Pursuant to discussions with Staff, custodial documents and data and materials being provided with this response, unless specifically reviewed and downgraded, have been classified as “Highly Confidential.” Notwithstanding that default classification, Applicants are not asserting Highly Confidential status for any documents that have been publicly released (which would be Public) or for third party materials that are copyrighted (which would be considered Confidential).
