**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Competition is the heart of capitalism. Industry thrives when there is a reason to go above others. If you choose to pass this you will be dooming america to become fully and wholly a country that doesn't care about what its citizens are voting. Freedom of choice is important and when you give corporations the power to dismantle their competition, that right is taken away.
