**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who chose a competitor and got better service at a lower price. Removing options means I would have been stuck paying a higher price for poorer service.

As I sometimes telecommute (few days a week) high speed connectivity is crucial. My current ISP (Sonic.net) provides me with better bidirectional service than my former Comcast even though Comcast supposedly provided higher throughput. Telecommuting and multiple kids streaming movies says otherwise.

By having a competitive market we had other options allowing us to find the right one for us.

Thanks,

Dylan Loomis
