**Subject:** No longer providing local service for 609.475.0338  
**Date:** Thursday, September 26, 2019 12:04:00 PM

---

Good morning,

I was told that a letter went out saying that TalkAmerica could no longer provide local services for me at 36 Hudson Street; Floor 2, Trenton, NJ 08609. What is the reason local service can no longer be provided? Can you verify that my services are copper currently and not VOIP? Will I be sent something in writing? What is last day to migrate services?

Marjorie Jones
