Annual Certification of Support for Eligible Telecommunications
Carriers Pursuant to 47 C.F.R. §54.314

Dear Ms. Dortch and Ms. Majcher:

Pursuant to the requirements of 47 C.F.R. § 54.314, and the authority delegated to me by the Public Service Commission of Wisconsin (PSCW), the PSCW hereby certifies to the Federal Communications Commission (FCC) and the Universal Service Administrative Company that the telecommunications carriers included in this letter are eligible to receive federal support (including high-cost support where applicable) for the program years cited below. This certification is based on review of the copies of the FCC Forms 481 or 690.

The PSCW certifies that, for the carriers listed on the attached table, all federal high-cost support provided to such carriers within Wisconsin was used in the preceding calendar year (2017) and will be used in the coming calendar year (2019) only for the provision, maintenance, and upgrading of facilities and services for which the support is intended.¹

¹ 47 C.F.R. §54.314(a) ("Certification. States that desire eligible telecommunications carriers to receive support pursuant to the high-cost program must file an annual certification with the Administrator and the Commission stating that all federal high-cost support provided to such carriers within that State was used in the preceding calendar year and will be used in the coming calendar year only for the provision, maintenance, and upgrading of facilities and services for which the support is intended. High-cost support shall only be provided to the extent that the State has filed the requisite certification pursuant to this section.").
