COMMENTS IN SUPPORT OF RULEMAKING

Wind River Broadcasting, Inc. ("Wind River"), by its attorney, submits its support of this proposal, and states that it will apply for this allotment if this proposal is adopted, and if authorized, will promptly construct this facility.

As stated previously, Cora, Wyoming is a Census Designated Place and has a 2010 population of 142 persons and has its own Zip Code (82925). The community has over 20 local businesses, and the proposed allotment is not near any Urbanized Area. The area currently is under-served by existing media outlets, and this allotment will provide an excellent mechanism to allow for a greater degree of aural radio service to be provided to the local environs.

Respectfully submitted,

WIND RIVER BROADCASTING, INC.
