Re: Independent Compliance Officer's Report on the Discounted Broadband Services Offer Condition (Docket No. WC 16-197)

Dear Ms. Dortch:

I write in my capacity as the Independent Compliance Officer ("ICO"), appointed on August 17, 2016 by the Federal Communications Commission ("FCC") pursuant to the Commission's Memorandum Opinion and Order released in MB Docket No. 15-149 on May 10, 2016 (the "Order"). The ICO's first report on Charter's compliance with the Order's Discounted Broadband Services Offer Condition (the "Condition") is due on September 29, 2017. I write to request a thirty-day extension of that deadline—to October 30, 2017—so that I may further review Charter's compliance with the Condition. Charter consents to this request.

The Staff has advised me that I have been granted at least a seven-day extension while the FCC considers this request.

Sincerely,

/s Barbara S. Jones
