**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I oppose the USTelecom petition.

Our household internet and phone line stays at a competitive price that we CAN effort. Not to mention we use a local company that supports our local economy!

As technology grows, internet is not an option or luxury utility. It IS a necessity! Most business and marketing are being done online and as a small business owner I can not effort the price hike!

I oppose the USTelecom petition.

Sincerely,

Yu Ling Mark Davis
