FEDERAL COMMUNICATIONS COMMISSION
OFFICE OF THE SECRETARY

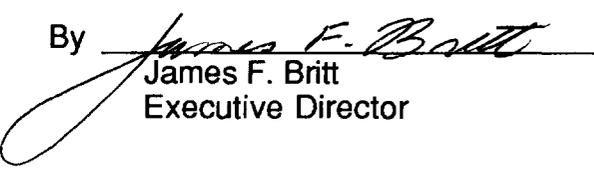

Re: Ex Parte Notice: CC Docket No. 92-91

On January 6, 1993 representatives of Bellcore and the Tariff Division (hereinafter FCC) participated in a conference call, the purpose of which was to provide the FCC with the opportunity to obtain clarification on specific issues pertaining to the Switching Cost Information System (SCIS). The above conference call was requested by the FCC.

The primary intent of the conference call was to provide the FCC with a precise description of the methods used in SCIS to cost switching system features under the average and marginal cost options. Inasmuch as, the call was requested by the FCC, discussion procedures were limited to Bellcore responding to specific FCC inquires.

Participating on the call for the FCC were Messrs. Mark Uretsky and Tom Quaile. Bellcore was represented by Mr. John Del Re and the undersigned. Should any questions arise relative to the preceding, please contact the undersigned on 201-740-4810.

Respectfully submitted,
Bell Communications Research Inc.
