**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I want more competition to make my choices. I have a phone service of my choice due to competition

I hate cable and DSL due to having to have no menu of a few stations for a few bucks.

I have an internet company that is local and personal, and reasonable.

I am a home that supports broadband competition.

If I see that you want more price hikes I will do my internet at the library.
